Early Human Development

Volume contents

Volume 38 (1994)

L.J. Groome, D.M. Mooney, L.S. Bentz, K.P. Singh (Mobile, AL; Little Rock, AR)
Spectral analysis of heart rate variability during quiet sleep in normal human fetuses between 36 and 40 weeks of gestation 1

R.I. Stark, S.S. Daniel, Y.-I. Kim, K. Leung, M.M. Myers, P.J. Tropper (New York, NY; Paterson, NJ)
Patterns of fetal breathing in the baboon vary with EEG sleep state 11

P.K. de Koekkoek-Doll, T. Stijnen, J.W. Wladimiroff (Rotterdam, The Netherlands)
Hourly fetal urinary production rate and blood velocity waveforms in the fetal renal artery relative to fetal heart rate pattern and fetal eye movements in normal pregnancies at 30–32 weeks of gestation 27

A. Spinillo, E. Capuzzo, G. Piazzi, S. Nicola, L. Colonna, A. Iasci (Pavia, Italy)
Maternal high-risk factors and severity of growth deficit in small for gestational age infants 35

R.H. Mupanemunda, D.S.C. Lee, L.J. Fraher, I.R. Koura, G.W. Chance (London, Canada)
Postnatal changes in serum retinol status in very low birth weight infants 45

Abstracts of papers presented at the Neonatal Society Meeting 55

K. Freudigman, E.B. Thoman (Storrs, CT)
Ultradian and diurnal cyclicity in the sleep states of newborn infants during the first two postnatal days 67

M. Kato, S. Takashima (Tokyo, Japan)
Immunohistochemical and morphometrical development of the dorsal root ganglion as a neural crest derivative: comparison with the fetal CNS 81

C. Corchia, A. Balata, G. Soletta, P. Mastroni, G.F. Meloni (Sassari, Italy)
Increased bilirubin production, ceruloplasmin concentrations and hyperbilirubinaemia in full-term newborn infants 91

E. Olthof, T.W. De Vries, B.C.L. Touwen, M. Smrkovsky, L.M. Geven-Boere, H.S.A. Heijmans, E. Van der Veer (Groningen, Leeuwarden, Den Haag, The Netherlands)
Late neurological, cognitive and behavioural sequelae of prenatal exposure to coumarins: a pilot study 97

T.W.A. Huisman, P. van Splunder, T. Stijnen, J.W. Wladimiroff (Rotterdam, The Netherlands)
Inferior vena cava flow velocity waveforms relative to fetal behavioural states and sample site in normal term pregnancy 111

J. FitzSimmons, A. Fantel, T.H. Shepard (Tacoma, Seattle, WA)
Growth parameters in mid-trimester fetal Turner syndrome 121

S. Lang, C.J. Lawrence, R.L'E. Orme (Exeter, UK)
Sodium in hand and pump expressed human breast milk 131

Ethnicity and the Sudden Infant Death Syndrome. A Collection of Papers from a Conference Held on June 25th, 1993 at the University Hospital of Wales, Cardiff, Organised by the Department of Child Health, University of Wales College of Medicine and Sponsored by the Foundation for the Study of Infant Deaths.

Introduction
D.P. Davies (Cardiff, UK)
Ethnicity and the sudden infant death syndrome: an introduction 139

Epidemiology
A.S. Hilder (London, UK)
Ethnic differences in the sudden infant death syndrome: what we can learn from immigrants to the UK 143

E.A. Mitchell, R. Scragg (Auckland, New Zealand)
Observations on ethnic differences in SIDS mortality in New Zealand 151

C.J. Bacon (Yorkshire, UK)
Infant mortality in ethnic minorities in Yorkshire, UK 159

R. Wigfield, R. Gilbert, P.J. Fleming (Southampton, London, Bristol, UK)
SIDS: risk reduction measures 161

Regulation of Breathing and Other Physiological Influences
P. Johnson (Oxford, UK)
Infant care practices and the investigation of physiological mechanisms 165

S.A. Petersen, M.P. Wailoo (Leicester, UK)
Interactions between infant care practices and physiological development in Asian infants 181

Arousal Mechanisms and Infant Care
J. McKenna, S. Mosko, C. Richard, S. Drummond, L. Hunt, M.B. Cetel, J. Arpaia (Claremont, Orange, CA)
Experimental studies of infant-parent co-sleeping: mutual physiological and behavioral influences and their relevance to SIDS (sudden infant death syndrome) 187

Infant Sensory Environment and Ethnic Care Practices
M. Gantley (London, UK)
Ethnicity and the sudden infant death syndrome: anthropological perspectives 203

S. Farooqi (Birmingham, UK)
Ethnic differences in infant care practices and in the incidence of sudden infant death syndrome in Birmingham 209

Conclusions
D.P. Davies (Cardiff, UK)
Ethnicity and SIDS: what have we learnt? 215
